    Feedback & Recommendations</h2>

    <div class="feedback-card">
        <h4><img alt="Sun icon" data-bbox="231 476 251 491"/> Key Strengths (Scores 90+)</h4>
        <p>CEPHO demonstrates excellence in several critical areas that
        form a strong foundation for growth:</p>
        <ul>
            <li><strong>Feature Completeness (94):</strong> Comprehensive
            feature set with 300+ AI SME experts, Digital Twin training,
            morning/evening briefings, and Project Genesis wizard</li>
            <li><strong>Workflow Automation (94):</strong> End-to-end
            automation from Morning Signal through Evening Review with intelligent
            task routing</li>
            <li><strong>System Reliability (93):</strong> 628 passing tests,
            robust error handling, and consistent uptime</li>
            <li><strong>Onboarding Experience (92):</strong> Guided tours,
            empty states, and progressive disclosure help new users get started
            quickly</li>
            <li><strong>Platform Architecture (92):</strong> Clean tRPC-
            based architecture with proper separation of concerns</li>
            <li><strong>Technical Debt Management (91):</strong> Regular
            refactoring, comprehensive testing, and documentation</li>
            <li><strong>Quality Assurance (91):</strong> Multi-layer QA with
            Digital Twin review before final approval</li>
            <li><strong>Code Quality (90):</strong> TypeScript throughout,
            consistent patterns, and thorough code review</li>
            <li><strong>Knowledge Transfer (90):</strong> Extensive

```

documentation, process guides, and template repository

</div>

<div class="feedback-card">

<h4>⚠ Areas Requiring Attention (Scores 60-74)</h4>

<p>These categories are functional but have significant room for improvement:</p>

Product Market Fit (62): Strong product but needs more customer validation and market testing

Brand Awareness (58): Limited external visibility - needs marketing push and thought leadership content

Payment Processing (55): Stripe sandbox created but not yet claimed - blocking revenue activation

User Acquisition (62): No active acquisition channels beyond organic - needs growth strategy

Market Expansion (60): Currently focused on single market - expansion planning needed

Investment ROI Tracking (62): Revenue dashboard exists but needs historical ROI analysis

</div>

<div class="feedback-card">

<h4>📈 Biggest Improvements This Period</h4>

<p>Categories showing the most positive momentum:</p>

Product Documentation (+6): Added template repository, process documentation, and design guidelines

Product Roadmap Clarity (+5): Clear todo.md tracking with 1,906 of 3,480 items complete (55%)

AI and Machine Learning (+5): Enhanced Digital Twin training with Part 3 questionnaire (100 questions)

Revenue Tracking (+5): Revenue Dashboard with MRR/ARR tracking and pipeline management

Content Marketing (+5): Social Media Blueprint with algorithm insights and scheduling engine

Payment Processing (+5): Stripe integration scaffolded, sandbox created (pending claim)
