CEPHO.Ai Brand and Style Guidelines

Document Type: Brand Guidelines
Version: 1.0
Date: 18 January 2026
Classification: Internal Reference

---

1. Introduction

This document establishes the visual identity and document formatting standards for CEPHO.Ai. These guidelines ensure brand consistency and professionalism across all reports, presentations, and platform interfaces.

Brand Name: CEPHO - From the Greek word for brain (kephali). Where intelligence begins.

Scope: All commercial, technical, and internal documents produced for CEPHO.Ai.

Mandatory Adherence: All documents and interfaces representing CEPHO.Ai must follow these guidelines.

---

2. Logo Usage

Placement

The CEPHO logo (animated brain visualization) should appear at the top of the first page of all documents.

Placement Options:

- Top center (preferred for cover pages)
- Top left (preferred for internal documents)

Exclusion Zone

Maintain clear space around the logo equal to the height of the “C” in CEPHO. This ensures the logo remains visually distinct.

Logo Integrity

- Do not alter the logo proportions
- Do not stretch or compress the logo
- Do not recolor the logo outside approved colors
- Do not place the logo on busy backgrounds
- The animated brain glow effect uses cyan/teal
