iDeals Data Room - Document Mapping & Folder Structure

Version: 1.0
Date: January 16, 2025
Author: Manus AI

Overview

This document provides the recommended folder structure and document mapping for populating the iDeals Virtual Data Room with CEPHO/The Brain corporate documents. Documents are categorized by type and status (Green = Complete, Amber = In Progress, Red = Missing).

Recommended Folder Structure

```

Legal Documents	0	0	3
Operational Documents	8	0	0
Technical Documentation	4	0	0
Marketing Materials	5	0	0
Case Studies	6	0	0
Reference Materials	10	0	0
TOTAL	**33**	**0**	**14**

Document Classification

External Documents (Cannot Be Modified)

These documents are from external sources and should be uploaded as-is:

- CeladonAjmanCompleteInvestorPresentationPackage.pdf
- BoundlessDeepDive-V1.0.pdf
- Any signed contracts, LOIs, MOUs

Internal Documents (AMPORA Branded)

These documents can be formatted with AMPORA branding:

- All blueprints and process documents
- Business plans and templates
- Training materials
- Research reports

Upload Priority

Phase 1 - Immediate (Green Documents) Upload all 33 complete documents to establish the data room foundation.

Phase 2 - Corporate Formation Obtain and upload corporate formation documents (Certificate of Incorporation, MOA, AOA).

Phase 3 - Financial & Legal Complete financial projections and legal documentation.

Next Steps

1. Access iDeals platform
2. Create folder structure as outlined above
3. Upload Phase 1 documents (33 complete files)
4. Set appropriate access permissions
5. Generate index report for stakeholders
