Quick Reference Guide

Use the **Doc ID** to request any document. Example: “Show me DOC-012” or “Open ARCH-001”

Category 1: Architecture & System Design

Doc ID	Document Name	Description	Path
ARCH-001	Cepho System Architecture Blueprint	Master A0 architecture diagram with all system components	`/docs/CEPHO-ARCH-001-System-Architecture.md`
ARCH-002	Architecture Blueprint Image	Visual PNG diagram of system architecture	`/docs/cepho-architecture-blueprint.png`

Category 2: Project Genesis (Core Workflow)

Doc ID	Document Name	Description	Path
GEN-001	Project Genesis Blueprint V1	Original end-to-end workflow	`/PROJECT_GENESIS_BLUEPRINT.md`
GEN-002	Project Genesis Blueprint V2	Enhanced workflow with expert integration	`/PROJECT_GENESIS_BLUEPRINT_V2.md`
GEN-003	Project Genesis Blueprint V3	Complete process with QA gates	`/PROJECT_GENESIS_BLUEPRINT_V3.md`
GEN-004	Project Genesis Architecture V4	Comprehensive architecture with SME validation	`/PROJECT_GENESIS_ARCHITECTURE_V4.md`
GEN-005	Project Genesis Implementation	Implementation roadmap and tasks	`/PROJECT_GENESIS_IMPLEMENTATION.md`
GEN-006	Project Genesis Template	Reusable project template	`/project-genesis-template.md`

Category 3: Blueprint Library (Foundational Documents)

Doc ID	Document Name	Description	Path
BLU-001	Blueprint Library Index	Master index of all blueprints	`/blueprints/BLUEPRINT_LIBRARY_INDEX.md`
BLU-002	SME Success DNA	100+ success factors from 150 companies	`/blueprints/SME_SUCCESS_DNA.md`
BLU-003	Master Business Plan Template	Comprehensive business plan structure	`/blueprints/MASTER_BUSINESS_PLAN_TEMPLATE.md`
BLU-004	Boundless Gap Analysis	Gap analysis applying Success DNA	`/blueprints/BOUNDLESS_GAP_ANALYSIS.md`
BLU-005	Lightfield CRM Integration Guide	CRM integration and outreach optimization	`/blueprints/LIGHTFIELD_CRM_INTEGRATION_GUIDE.md`

Category 4: Research Data

Doc ID	Document Name	Description	Path
RES-001	Successful Companies Research (CSV)	150 company analysis data	`/blueprints/research/research_successful_companies.csv`
RES-002	Successful Companies Research (JSON)	150 company analysis data (JSON)	`/blueprints/research/research_successful_companies.json`
RES-003	SME Expert Perspectives (CSV)	Expert team insights	`/blueprints/research/sme_expert_perspectives.csv`
RES-004	SME Expert Perspectives (JSON)	Expert team insights (JSON)	`/blueprints/research/sme_expert_perspectives.json`
RES-005	Success Patterns Analysis	Synthesized success patterns	`/blueprints/research/success_patterns_analysis.json`
RES-006	Business Plan Research (CSV)	Business plan best practices	`/blueprints/research/business_plan_research.csv`
RES-007	Sector Business Plan Research	Sector-specific requirements	`/blueprints/research/sector_business_plan_research.csv`
RES-008	Competitor Analysis	Market competitor research	`/research/competitor-analysis.md`
RES-009	Market Report	Market sizing and trends	`/research/market-report.md`
RES-010	Moat Building Strategy	Competitive moat research	`/research/moat-building-strategy.md`

Doc ID	Document Name	Description	Path
RES-011	Moat Building Research	Supporting moat research	`/research/moat-building-research.md`

Category 5: AI-SME Expert System

Doc ID	Document Name	Description	Path
EXP-001	AI SME Expert Directory (PDF)	Complete 287 expert directory	`/AI_SME_Expert_Directory.pdf`
EXP-002	AI SME Experts (JSON)	Expert data in JSON format	`/AI_SME_Experts.json`
EXP-003	New AI SME Experts (PDF)	Additional experts added	`/New_AI_SME_Experts.pdf`
EXP-004	Expert Team Templates	Pre-configured expert teams	`/EXPERT_TEAM_TEMPLATES.md`
EXP-005	SME Expert Enhancement Report	Expert system improvements	`/SME_EXPERT_ENHANCEMENT_REPORT.md`

VAL-008	Verification Notes	Additional verification	`/verification-notes.md`
VAL-009	Test Observations	Testing observations	`/test-observations.md`

Category 7: Boundless Telecom (Case Study)

Doc ID	Document Name	Description	Path
BND-001	Boundless Document Analysis	Initial document analysis	`/BOUNDLESS_DOCUMENT_ANALYSIS.md`
BND-002	Boundless Enhanced Process Analysis	Deep process analysis	`/BOUNDLESS_ENHANCED_PROCESS_ANALYSIS.md`
BND-003	Boundless Workflow Analysis	Workflow mapping	`/BOUNDLESS_WORKFLOW_ANALYSIS.md`
BND-004	Boundless Gap Analysis	Success DNA gap analysis	`/blueprints/BOUNDLESS_GAP_ANALYSIS.md`

Category 8: Templates

Doc ID	Document Name	Description	Path
TPL-001	Master Project Document Template	Comprehensive project template	`/templates/MASTER_PROJECT_DOCUMENT_TEMPLATE.md`
TPL-002	Project Status Report Template	Status reporting template	`/templates/PROJECT_STATUS_REPORT_TEMPLATE.md`
TPL-003	Presentation Blueprint V4 Structure	Investor deck structure	`/docs/presentation-blueprint-v4-structure.md`
TPL-004	Project Genesis Test Scenario	Testing scenario template	`/docs/project-genesis-test-scenario.md`

Category 9: System & Configuration

Doc ID	Document Name	Description	Path
SYS-001	System Audit	System health audit	`/system-audit.md`
SYS-002	Improvement Decisions	Improvement tracking	`/IMPROVEMENT_DECISIONS.md`
SYS-003	Improvement Suggestions	Suggested improvements	`/IMPROVEMENT_SUGGESTIONS.md`
SYS-004	Ideas	Feature ideas and notes	`/ideas.md`
SYS-005	Design Consultation	Design decisions	`/design-consultation.md`
SYS-006	Domain Research	Domain strategy research	`/domain-research.md`
SYS-007	Rebrand Verification	Rebrand checklist	`/rebrand-verification.md`
SYS-008	Todo	Master task tracking	`/todo.md`

Category 10: API & Integration Documentation

Doc ID	Document Name	Description	Path
API-001	iDeals API Notes	iDeals VDR integration notes	`/docs/ideals-api-notes.md`
API-002	Lightfield CRM Integration	CRM integration guide	`/blueprints/LIGHTFIELD_CRM_INTEGRATION_GUIDE.md`

How to Use This Index

Request a document:

- "Show me ARCH-001" → Opens System Architecture Blueprint
- "Read BLU-002" → Opens SME Success DNA
- "What's in GEN-004?" → Summarizes Project Genesis Architecture V4

Request a category:

- "Show all Blueprint Library documents" → Lists BLU-001 through BLU-005
- "What research do we have?" → Lists RES-001 through RES-011

Request by topic:

- "Find documents about Boundless" → Returns BND-001 through BND-004
- "Show expert system docs" → Returns EXP-001 through EXP-006
