Cepho Dashboard Verification - Jan 12, 2026

Visual Verification Complete

Confirmed Working:

1. **CEPHO branding** - Sidebar shows “CEPHO” header
2. **Professional mood slider** - Replaced emoji buttons with gradient slider (1-10)
3. **Clean sidebar** - 9 core items: Dashboard, Daily Brief, AI-SMEs, Chief of Staff, Workflow, Library, Vault, Analytics, Settings
4. **Dashboard cards** - 6 main action cards with clean styling
5. **Active Tasks tracker** - Shows 3 tasks in progress with professional progress bars
6. **Wellness indicator** - Shows 7.8 score in gradient circle (no emoji)
7. **Mood indicator** - Shows numeric value in gradient circle (no emoji)
8. **Getting Started checklist** - Clean onboarding flow
9. **Insights panel** - 4 contextual suggestions
10. **Neural Network visualization** - Interactive node display

TypeScript Status:

- All errors resolved (0 errors)

Pending Items (Future Enhancements):

- Video conversation features
- Post-conversation rating system
- Expert performance tracking automation
- Domain configuration (cepho.ai)

Ready for User Onboarding
